

Example - Guardian/Crew Donations

Campaign

Guardians and Crew are volunteers and are asked to make a donation of at least \$853 to be sent to Midwest Honor Flight or given online (while it is appreciated, do not feel you need to cover the fees for donating online below). Please be sure to include your first and last name of the Guardian the donation is for and for which Mission you/they are flying on. You will receive an email confirmation and tax-deduction letter via email once it has been processed either online or via mail.

If you are wanting assistance with your donation, select the "Fundraise for Your Trip" option and ensure that your goal date is set as the due date for your flight. Your goal amount should be at least \$853. Once created, you can share your fundraiser out with friends and family to securely give through this site with credit going to your trip.

If you are making your donation or someone else is on your behalf, they may see less options for the Payment methods. The "Other payment methods" when clicked will show credit/debit and Apple/Google pay as additional options.

This program allows 100% of your donation to benefit Midwest Honor Flight. The percentages shown change based on the donation amount and are OPTIONAL. The system we use ensures we get the donation amount as shown but asks for support from the donor. They may give if they would like to or they can select "Other" and enter any amount they would like to, including \$0.00. Donors can pay directly with ACH which will show no fees, credit/debit card which will ask them again to cover, or with Apple/Google pay which will also ask them to cover. Again, the coverage of fees is optional as they can select the Zero option or the "Maybe next time" if prompted again when selecting their payment method.

To create a fundraiser to ask for donations, follow these steps below after clicking the “Fundraiser for Your Flight” button.

The screenshot shows the Midwest Honor Flight website with a modal form titled "Fundraise individually". The form has a red header "Individual fundraising" and a close button (X). It contains the following fields:

- Campaign target: \$
- Email: [Empty]
- Photo: [Placeholder icon]
- First name: [Empty]
- Last name: [Empty]

Below the form is a red button labeled "Fundraise for Your Flight". The background shows a page titled "Example - Guardian/Crew Donations" with text about donations and a photo of a person's arm with a red band.

Here your campaign target should be at least the minimum donation amount. Enter your email so you get a confirmation email that will eventually populate the link for your page. Enter your name. Add a picture of yourself or you and your Veteran to show supporters who their donation is benefiting.
